# ENGINEERING EXCELLENCE BEYOND BORDERS

*Hayward Tyler Luton Factory*

During the year, MBE's journey crossed many borders in our quest to achieving engineering excellence in International markets. We have a representative in Johannesburg, South Africa to enter the African market, which is a mineral rich continent providing attractive opportunities for MBE. We have also appointed Sales Agents in Peru & Mongolia who are having huge deposits of minerals. Presently we are executing two copper concentration plants in Konkola Mines, Zambia for the VEDANTA Group. We completed the supply of a Ball Mill for Kenya Fluorspar. Conducted a feasibility study for Coal washery and Coal handling plant for MAK in Mongolia. Obtained an order for Front End Engineering Design (FEED) for a Tungsten beneficiation plant from OUG Mongolia. Participated in the Zambia International Mining & Energy Conference & exhibition in June 2011 in Lusaka Zambia. Participated in "The India Show" in Jakarta in March 2012, organized by CII & the Embassy of India. MBE, through its 100% subsidiary

*MBE pavilion at INDIA SHOW, Jakarta*

in Singapore, MBE Mineral Technologies Pte Ltd acquired a 42% stake in Specialist Energy Group Plc (SEG), which owns Hayward Tyler Ltd. UK (HTL) and Hayward Tyler Inc. USA (HTI). Hayward Tyler are renowned manufacturers of Boiler Circulating pumps, Canned pumps, Submersible pumps & Process pumps serving Power, Nuclear & offshore Oil as well as Gas sectors. With this acquisition MBE now has a footprint in the US market for the first time.

## EXCELLING BEYOND FAMILIAR HORIZONS

MBE has been excelling as an EPC (Engineering, Procurement & Construction) turnkey solutions provider for over 50 years, having executed over 300 projects till date. During the year, MBE forayed into Infrastructure & Construction projects and successfully bagged a number of orders in Road, Metro, Residential Towers & Industrial infrastructure projects. Some of the orders bagged:

- Construction of 20 kms road in Jharkhand under NHDP III from Madhucon Projects
- Construction of 3 Metro stations for Kolkata Metro from Gammon India Ltd.
- Construction of 3 Residential towers for UNITECH
- Civil works for power projects for BHEL & Tata Projects.

The Govt. of India plans to invest ₹ 41 lakh crores in the Infrastructure sector during the 12th five year Plan, which is 100% higher than the plan outlay for the 11th Plan. Keeping this in mind, MBE has identified Infrastructure & Construction as a key growth area for the company.

We have taken a number of steps to strengthen this Division. A number of senior professionals from reputed Infrastructure companies have been hired to drive this business. The owned stock of resources like Plant & Machinery have been increased, so has been the case of hiring a number of people in middle management having specialized skills. KPMG, a reputed International Management Consulting Firm has been engaged to develop the Operating Processes for this Division to enable rapid scaling up of operations.

We are confident that with these measures, MBE will soon be a major player in Infrastructure & Construction sector.

## FROM THE CHAIRMAN'S DESK

### Dear All

We are currently going through difficult times. The growth in GDP in 2011-12 was a nine year low of 6.5% and estimates for 2012-13 are around 5.5%. Whereas the overall growth in Industry during 2011-12 was only 2.8%, electricity generation grew at 8.2% and manufacturing at 2.9%. Mining had a negative growth of 2%. However, the fundamentals of the Indian economy remain strong and the average GDP growth is estimated at 9% for the 12th Plan (2012-17).

### EXCELLING BEYOND BORDERS

Executing projects in Zambia and Kenya. Appointing representatives in South Africa and Indonesia. Appointing Sales Agents in Peru & Mongolia. Doing front end engineering design in Mongolia. Acquiring a 42% stake in SEG Plc, which owns Hayward Tyler, a 200 year old pump manufacturing company with operations in UK & USA. Participating in International exhibitions in Singapore & Zambia. Foraying into Infrastructure business for construction of Roads, Metro stations & Residential towers. During 2011-12, MBE has truly been looking Beyond Borders. Travelling from achievement to achievement. The talent pool of engineers and managers are more than fulfilling expectations with the continued support of our trusted vendors and contractors.

The long term prospects for your company seem to be favourable. As per the 12th Plan, the investment in Infrastructure projects including Power, Roads, Railways is expected to double to ₹ 41 lakh crore. Thermal Power sector remains our main growth driver, a 67 Giga Watt addition in coal based power generation capacity is expected in the Twelfth Plan. Steel capacity is expected to increase by 62 Million Tons/year and reach 146 Million Tons/year by 2017. We at MBE are very bullish about the future.

Last year has been a significant year for the MBE group. We recorded highest ever group turnover of ₹ 2667 crores. We got a second order for a By Products Recovery Plant from SAIL, Bhilai valued at ₹ 379 crores. We commissioned the East Mill of the Copper Concentrator for Vedanta, Konkola Mines, Zambia and Ball Mill for Kenya Fluorspar.

We have major plans to increase our footprint globally. We plan to appoint sales agents in Korea, Zimbabwe and other countries. To serve our existing customers in Africa we are planning to set up a spares stocking point in Zambia. With Hayward Tyler in our fold, we are planning to introduce their line of pumps in the Indian market. The R&D activities of MBE & McNally Sayaji have been recognized by the Ministry of Science & Technology. The new factory in Vadodara will substantially increase the manufacturing capacity of McNally Sayaji.

The Infrastructure Projects & Construction Division of MBE is aggressively exploring opportunities in the Infrastructure sector. To facilitate speedy scaling up of operations we are taking the help of renowned Consultants, KPMG for developing the Model Operating Processes for the Infrastructure Projects & Construction Division. The Center for Engineering Excellence, since its inception, has completed automating the design of a number of Equipment & Systems resulting in significant saving in manpower & material costs.

I am confident that with our sincerity, hard work & execution knowledge base, we will excel in areas even beyond our existing boundaries.

Deepak Khaitan  
Chairman | McNally Bharat Engineering Co. Ltd.

## BUSINESS PERFORMANCE

*Aerial view, Sinter Plant, Vizag Steel*

Your Directors are pleased to report that 2011-12 turned out to be yet another excellent year during which your company achieved its highest ever turnover & profits. The total income for the year was ₹ 2091 crore as against ₹ 1775 crores during the previous year.

However, due to credit crunch faced by our clients across all sectors, collections and working capital management was a challenge, resulting in increased borrowings and higher interest charges.

## ORDER BOOK

*Ball Mill, Kenya Fluorspar*

Your Company has an order backlog of around ₹ 3417 crores as on March 31, 2012.

Some of the significant orders bagged during the year are mentioned below, which are currently under execution:

- By-Product plant complex for New Coke Oven Battery in SAIL Bhilai
- Supply of 10 Nos. Stacker Reclaimers, Barrel Reclaimers & Stackers to BHEL a/c NMDC steel plant, Chattisgarh
- Supply of Ball Mill to Kenya Fluorspar
- High Concentration Ash Slurry Disposal (HCSD) system for Crescent Power
- Ash handling Plant & Limestone Milling/Conveying for 2x250MW

Lignite based Thermal Power Project of Bhavnagar Energy Co. Ltd.

- Ash Handling Plant for 2x600MW Power Plant of Essar Projects at TORI
- Coal Handling System of Surana Power Ltd.
- Two to Four Laning of NH33 for Madhucon Projects Ltd.
- Mechanical Work Package at Lepetkata for BCPL
- Ash Handling Package for 660 MW Power Plant of Jabua Plant Ltd.

## PROJECT EXECUTION

*Stacker Reclaimer, Adani Port*

During the year a large number of projects were at various stages of execution. Some of the major projects which were completed are:

- 800 TPH Coal Handling Plant for DVC, Chandrapura Thermal Power Station
- 750 TPH East Mill Copper Concentrator Plant for VEDANTA, Konkona Copper Mines, Zambia
- Ball Mill for Kenya Fluorspar
- Ash Handling Plant for DVC - Mejia Phase "B"-1x500 MW
- Ash Handling for 2x660 MW Power project for Essar Power Gujarat in Salaya
- Lead Zinc Concentrator at SK Mines for Vedanta.

*Coal Silos under construction, SAIL Rourkela*

## ACTIVITY HIGHLIGHTS

The Projects activities was realigned to reflect synergy in sectors they were operating in:

### POWER PLANT PROJECTS:

Responsible for Power including complete power plants, Balance of Plant, Coal & Ash Handling plants, Water re-treatment & water projects for municipalities and other Industries, operations & maintenance of Power Plants.

### METALS & MINING PROJECTS:

Responsible for Coal & Metal Mines, Coal & Mineral Beneficiation, Steel Plants, Cement Plants, Oil & Gas sector and Ports.

### INFRASTRUCTURE & CONSTRUCTION PROJECTS:

Responsible for Infrastructure projects like Highways & Roads, Railways & MRTS, Bridges & Flyovers, Commercial & Residential Buildings, & townships, cross-country pipelines, transmission lines, Constructuion of power plants, steel plants, ports etc.

Your company has ambitious plans to expand in Infrastructure projects and has been bidding for road, Metro, High rise buildings & other industrial construction projects and we expect to receive good order booking in this sector in 2012-13. The Infrastructure Projects & Construction Division has been strengthened by inducting senior professionals from the Industry.

SEG owns Hayward Tyler Ltd UK and Hayward Tyler Inc. USA. Hayward Tyler manufactures specialized pumps for Power, Nuclear and Oil & Gas Industry.

Your company has received the following prestigious awards during the year.

**"Fastest Growing Material Handling Company" awarded in Oct 2011 at the 9th Construction World Annual Awards 2011**

**"Best Professionally Managed Company" and "Best Project Award" conferred at the CIDC Viswakarma Award 2012**

In October 2011, the Deptt. Of Scientific & Industrial Research (DSIR), Ministry of Science & Technology, GOI accorded recognition of our In-house R&D activities.

Reputed International Consultants, KPMG had been engaged to develop the Operating Processes for the Infrastructure Projects & Construction Division to enable rapid scaling up of operations.

The Center of Engineering Excellence (COEE) has been established to develop software based solutions for achieving automation in execution of day to day engineering of projects. Since inception, work has been completed for automation of Engineering and Drawing for various Material Handling system & equipment, Mills etc. This has resulted in significant saving in man-hours, material cost and project execution time.

Your company has received numerous Safety awards at project sites from clients such as SOLIOS, BHEL & Tata Projects Ltd. More than 1 Million hours accident free operations were achieved at the following construction sites: Bellary Thermal Power Station & HINDALCO, Mahan.

## SUBSIDIARIES

**McNally Sayaji Engineering Ltd. (MSEL)**

*Skid mounted Coal crushing plant*

Some of the major orders received during the year:

- Rashi Steel & Power for various equipment including Ball Mills for Iron Ore Beneficiation plant
- Hindustan Dorr Oliver (client NMDC) for Grinding Mills
- HINDALCO, Renuagar power project for 2 Nos 400TPH skid mounted coal crushing plants
- Stemcor India Pvt. Ltd. for Ball Mills
- Sesa Goa for Thickeners, crushers, screens & feeders
- Thermax Ltd for single roll crusher, Hammer mill, Screen
- Bengal Tools for Apron Feeders & screens
- S K Samanta (client – BCCIL) for Single Roll crusher
- Furnace Fabrica India Ltd. for Ball Mill
- IFFCO for chain mill
- Nava Bharat Energy Ltd. for single roll crusher
- Hamtek Technologies for single roll crusher

Construction of the new plant at Savli in Vadodara is completed.

The Department of Scientific & Industrial Research (DSIR), Ministry of Science & Technology, GOI has accorded recognition to the In – house R&D activities of MSEL. During the year, the R&D department has successfully developed a 3 inch centrifugal slurry pump & a skid mounted coal crushing plant.

## MBE Coal & Mineral Technology India Ltd.

Some of the major orders received during the period:

- Trade Serve International Pvt. Ltd. for 150 TPH Coal Washery at Karachi with Batac Jig.
- NRE Metcote Ltd. for 150 TPH Heavy Media Cyclone Washery with 80 TPH Fines Washing in Pneumatic Flotation Machine at Bachau.
- MSPL, Hospet for 100 TPH Iron Ore Jigging Plant.

- Janki Corporation, Bellary for 200 TPH Iron Ore Beneficiation Plant (WHIMS).

- For the first time export order received from South America for Design and Engineering works of Flotation Plant for VALE (Brazil) through MBE-CMT, Cologne, Germany.

- Order received from MBE-CMT, Cologne for Design & Engineering Works for Naryn Sukhai Coal Handling & Preparation Project at Mongolia.

- Order received for Design & Engineering for Pasir Coal Washery, Kideco in Indonesia from MBE-CMT, Cologne.

- Renewed contract for Operation and Maintenance of 1200 TPH Deshaling Plant at Bina Project of Northern Coalfields Limited for a period of 5 years.

Some of the major orders executed & commissioned during the period:

- Successfully commissioned 500 TPH Coal Washery Plant at Korba for S. V. Power Pvt. Ltd.
- Successfully commissioned the Coarse Seed Filtration package for Vedanta Aluminum Ltd., Lanjigarh, Orissa.
- Sales of centrifuges reached record high of 113 numbers surpassing the earlier high of 107 in 2010-11.

*Coal washery, S V Power-Korba*

## MBE Mineral Technologies Pte Ltd., Singapore

A 100% owned subsidiary of MBE has a number of companies under its fold.

- The MBE CMT Group comprising MBE Coal & Minerals Technology

GmbH Cologne, MBE Minerals SA Pty Ltd. South Africa and operations in China, Russia, Indonesia & Brazil. The performance of the MBE CMT Group was satisfactory inspite of the European crisis & global slowdown

■ **Cologne Engineering & EWB Technological kft** Budapest, have also performed satisfactorily under adverse conditions.

■ **Specialist Engineering Group (SEG)** MBE Mineral Technologies Pte Ltd., has acquired controlling stake (42%) in Specialist Energy Group plc in UK (SEG). SEG owns Hayward Tyler Ltd. UK (HTL) and Hayward Tyler Inc. USA (HTI). HTL is one of the three global manufacturers of Boiler Circulating Pumps. Other products included pumps for special application, canned pumps used in Nuclear Power Plant, submersible motors, process pumps, pumps used in oil & gas sector, subsea pumps and pumps used in Submarine. HTI is a major player in Nuclear Power sector, specialising in service, overhauling of Nuclear Power Plants in USA. HTI has strong presence in special range of pumps used in Coal Power Generation, Nuclear Power, Syngas Power and speciality Chemical and Hydrogen processing.

## SUBSIDIARIES

In accordance with general circular issued by the Ministry of Corporate Affairs, Government of India, the Balance Sheet, Profit and loss Account and other documents of the subsidiary companies are not being attached with the Balance Sheet of the Company. The Company will make available the Annual Accounts of the subsidiary companies and the related detailed information to any member of the Company who may be interested in obtaining the same. ## ANNEXURE A TO THE DIRECTORS' REPORT

### PARTICULARS REQUIRED UNDER THE COMPANIES (DISCLOSURE OF PARTICULARS IN THE REPORT OF BOARD OF DIRECTORS) RULES, 1988

#### A. CONSERVATION OF ENERGY

##### 1. ENERGY CONSERVATION MEASURES TAKEN

MBE had obtained Environmental Management System certification ISO 14000.2004 in August 2010 and the same has been renewed for 2011. The Corporate office of MBE in ECOSPACE is a pre-certified Platinum Green project, having implemented various energy conservation measures. Routine steps like strict control & monitoring of power usage, good upkeep of equipment like DG sets & AC units have resulted in optimal usage of energy & parts.

##### 2. ADDITIONAL INVESTMENT AND PROPOSALS FOR REDUCTION OF CONSUMPTION OF ENERGY

As stated above, there is nothing substantial to report.

#### B. RESEARCH & DEVELOPMENT (R & D)

##### 1. SPECIFIC AREAS IN WHICH R & D IS CARRIED OUT BY THE COMPANY

- Develop software based parametric modeling solutions (Design automation) for extraction of drawings, which will be used in the execution of projects, being done by the company.
- Develop 3D modeling capability for complete Plant Design
- Do value engineering & design augmentation to reduce material consumption & project cost
- Import substitution

##### 2. BENEFITS DERIVED AS A RESULT OF THE ABOVE R & D

Cost reduction due to saving in engineering time due to design automation.

##### 3. FUTURE PLAN OF ACTION

Future R & D efforts will continue along similar lines, as at present. Design automation of new products & processes will be taken up such as Thickener, automation of Single Line diagram generation in electrical projects, Travelling tripper assembly, Conveyor galleries & trestles and automation in generation of Bill of Materials for structural fabrication work etc.

##### 4. EXPENDITURE ON R&D:

In pursuit of R&D endeavors, the company is continuously incurring R&D expenditure both on Capital and Revenue, which has not been separately reflected but is being shown as part of regular heads of accounts in fixed assets and in the Profit & Loss Account respectively.

#### C. TECHNOLOGY ABSORPTION

##### 1. TECHNOLOGIES

## ANNEXURE B TO THE DIRECTORS' REPORT MANAGEMENT DISCUSSION & ANALYSIS

### INDUSTRY STRUCTURE AND DEVELOPMENT

The GDP growth in 2011-12 was only 6.5% compared to 8.4% in the previous year. During 2011-12, the 8 core infrastructure industries grew by only 4.4%. These include crude oil, refinery products, coal, electricity, cement, steel, fertilizer & natural gas.

As per the revised projections done by the Planning Commission, the expected investment in Infrastructure during the 11th Plan period (2007-12) will be Rs 20.5 Lakh Crores. Sector wise the investments will be as follows: Power (31%), Roads & bridges (12%), Railways (7%), Oil & Gas (6%), Water Supply & Sanitation (5%) and Ports (3%). In most of these sectors, MBE is very active.

For the 12th Plan (2012-17), the Planning Commission has indicated that the investment in Infrastructure will double to Rs 41 Lakh Crores. A sector wise analysis is given below.

#### POWER

The thermal power capacity addition in 12th Plan (2012-17) is expected to be 67,686 MW compared to 50,757 MW addition during the 11th Plan (2007-12). In spite of this addition, McKinsey forecasts a power shortfall of 315 GW in 2017, whereas CEA forecasts a shortfall of 213 GW.

With Coal India being advised to sign fuel supply agreements with power plants having long term power purchase agreements with Power distribution companies, we expect the investment in power sector to increase in 2012-13. Private sector participation in power generation has increased significantly and expected to contribute 40% in the 11th Plan.

As per Central Electricity Authority (CEA), there will be a requirement of 1,100 BOP packages during the 12th Plan comprising Coal handling & Ash Handling plants, water packages, cooling towers, chimney stacks and fuel oil systems. MBE is active in these areas.

#### STEEL

In 2011, India produced 72.2 Million Tons of steel and was the fourth largest producer in the world after China, Japan & USA. The installed capacity of Steel is expected to increase to 142 Million TPA by 2018 based on the assumption of 8% GDP growth.

Most of the additional capacity will be created in the Private sector, apart from a few in the public sector. EPC Packages in Steel Plants, where MBE has execution experience include raw material handling, Sinter plant, By-products recovery plant & coke oven batteries.

#### COAL & MINING

India has vast reserves of many different minerals. It is the world's third largest producer of coal, fourth largest producer of iron ore and fifth largest producer of bauxite. It also has significant reserves of copper, zinc, lead, lignite and other minerals.

Domestic coal production has been less than 600 million tons in 2011-12 and the demand supply gap is around 150 Million Tons, which is being met by imports. By the end of the 12th Plan (2016-17), the demand for coal is expected to be 1000 million tons and the shortfall is expected to rise to 250 Million Tons, to be met from imports. Since the quality of coal available is poor, India will require more coal washeries and Coal India has a plan to set up 19 washeries. MBE with Technology from MBE Coal & Minerals Technology (formerly KHD Humboldt

Wedag), is well placed to get a share of the coal washery market.

In iron ore beneficiation, further to the acquisition of the Coal & Mineral Technology business of KHD Humboldt Wedag, MBE hopes to do well with MBE-CMT's Jigging & WHIMS technology.

Pelletization of unused iron ore fines will be needed in a big way to meet the growing demand of the steel industry. MBE hopes to play a significant role in setting up iron ore pelletization plants with International technology partners

### **NON FERROUS METALS**

MBE is a market leader in Mineral Beneficiation in India, having set up most of the plants for Copper, Lead & Zinc in India and presently executing two copper projects in Konkola Mines, Zambia.

Consumption of refined copper has been growing @ 10% annually and is projected to be 1.2 million tons by 2015-16. All the manufacturers, Hindusthan Copper, Sterlite & Birla have indicated expansion plans to meet the demand.

Due to strategic reasons, there is significant thrust on exploration & processing of Uranium ore, where MBE has strong credentials.

The production capacity of aluminium at the end of the 12th Plan would be around 4.7 million tons, and alumina & bauxite requirement would be 9.2 million tons & 28 million tons respectively. India has abundant bauxite to meet the demand. 3 to 4 smelting & refining projects are expected to come up in the 12th Plan to meet the demand. International manufacturers like Anrak, Rio Tinto & Dubal have shown interest in entering the Indian market due to cost advantages. MBE having executed a number of projects in this sector, can look forward to significant business in future.

### **PORT & STOCKYARD EQUIPMENT**

The current capacity of Indian Ports is around 813 Million Tons per year (MTPA) and capacity addition of 775 MTPA is planned by 2017. The demand for port cranes is a sum of requirement from new capacity as well as replacement of existing old cranes.

MBE has a license agreement with Kone Cranes to manufacture & supply Port & Shipyard cranes, and Poltegor for Stacker Reclaimers. MBE plans to increase its product range in this sector through tie-ups.

Due to increase in coal imports, there will be significant demand for stacker reclaimers and other bulk handling equipment in Ports, where MBE has a significant presence with Poltegor as technology partner.

### **INFRASTRUCTURE**

To improve the basic infrastructure, large investments will be needed in roads, railways, ports, civil aviation and water supply & sanitation during the 12th Plan. The investments planned in these sectors during the 12th Plan is Rs 11.4 lakh crores. Private sector investment through Public Private partnership (PPP) will be required to supplement public sector investments to achieve the plan.

MBE has significantly increased its focus in this area by strengthening the management team in Infrastructure and have gained significant success in obtaining orders in this sector.

### **NEW BUSINESSES**

The Oil Refinery capacity is expected to grow from 182 MTPA in 2010 to 302 MTPA by 2017, which will involve a huge investment of nearly Rs 2.4 Lakh Crores. Cement capacity also is expected to increase from 275 Million Tons in 2010 to 440 Million Tons by 2017, averaging a capacity addition of 20 Million Tons annually.

### **OPPORTUNITIES & THREATS**

MBE is facing increased competition in many areas of its operations due to entry of a large number of players. In addition, ordering for new projects had slowed down in 2011-12 due to delays in taking administrative & policy decision by the Government. Delays in project implementation have also taken place due to problems faced by companies in land acquisitions, obtaining environmental clearances, coal availability etc.

To counter increased competition in domestic markets, MBE is increasingly focusing on International markets in Africa, Central Asia & South East Asia, where offices have been opened or representatives appointed.

### **SEGMENTWISE OR PRODUCTWISE PERFORMANCE**

The company is engaged in turnkey projects in infrastructure and related manufacturing activities and therefore the question of segment-wise performance does not arise.

### **OUTLOOK**

Your company has an order backlog of Rs. 3,417 crores and we hope to continue our past growth trend this year also. Moreover, with a healthy GDP growth forecast of 8%, we expect the new order booking to be comfortable and as per Planned targets.

## **RISKS & CONCERNS**

The EPC Business as such is exposed to risks at various stages. Increase in raw material prices of steel, cement and other items, delays at construction sites due to unforeseen circumstances beyond our control, all add to increase in project costs. Your company has got in place risk mitigation strategies to minimize the impact of such events. Moreover, with Oracle based ERP implemented across the company, your company is better equipped today to monitor all operations on real time basis, thereby taking corrective actions and reducing risk.

## **MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED**

Your company believes in building long-term relationships with all stakeholders, with equal emphasis on the “employee”, and in ensuring “employee delight”. This is epitomized in the remarkable retention rates and numerous incidences of long-service awards. In terms of employee care, the organization provides to and fro transport to its employees (at HO & Project Sites), meal coupons, insurance coverage including immediate family, not to mention the informal environment evident in the camaraderie shared between employees of diverse work groups and across hierarchy. All of this contributes to the creation of a happy, loyal and committed work-force.

Your Company is continuing with its organization transformation exercise with some of the key focus areas being organization restructuring, revamping the performance management architecture, compensation bench marking, competency assessment for senior management and leadership team, followed by individual development plans to create a healthy succession pipeline for critical leadership positions.

Your company also boasts of a flag-ship “Executive Trainee” program where fresh Engineers from premier Engineering Colleges are hired and honed through a rigorous one-year orientation program. On completion, they are absorbed directly in the Middle Management category. Your Company is invited for campus visits on prestigious first-day slots at almost all the targeted institutions.

The industrial relations during the year have been cordial. The number of permanent employees as on March 31, 2012 was 1,505 as against 1,441 on March 31, 2011.

## **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

Your Company has a detailed well spelt internal control system in place to ensure that all financial, commercial and legal transactions are fully authorized, recorded and correctly reported. The Audit Committee of the Board of Directors reviews the adequacy of the Internal Control System. The Company’s Internal Audit Department is in charge for periodically carrying out detailed audit of the transactions of the Company at various project sites, manufacturing locations and offices in order to ensure that recording and reporting are adequate and as per the policy of the Company. The Internal Auditors periodically physically verify safeguarding of the Company’s assets and ensure that there is no unauthorized usage. The assets are kept in proper conditions and are covered under adequate insurance.

## **FINANCIAL PERFORMANCE**

During the year, your Company recorded growth in its performance both in terms of Sales and Profitability. While the total income of the Company has grown from Rs. 1,775 Crores to Rs. 2,091 Crores, the Profit before Tax has gone up from Rs. 74 Crores to Rs. 79 Crores and earning per share has gone up from Rs.15.41 per share to Rs. 21.11 per share. Based on the business scenario within the Country and Company’s extended capability, the Company has set a higher benchmark of performance for the year to come. The Board expects this growth trend, both in terms of profit and sales, to be maintained in the coming years.

## **DISCLOSURE BY THE MANAGEMENT**

Your Board has received confirmation from its managerial staff that they had no personal interest in any material, financial and commercial transactions of the Company.

## **CAUTIONARY STATEMENT**

Statements in the Management Discussion and Analysis Report in regard to projections, estimates and expectations have been made in good faith. Many unforeseen factors may come into play and affect the actual results, which could be different from what the Directors envisage in terms of future performance and outlook. Market data and product information contained in this Report, have been based on information gathered from various published and unpublished reports and their accuracy, reliability and completeness cannot be assumed.

#### Share Price Performance in comparison to broad based indices – BSE Sensex:

#### h. Share Transfer Agents:

The Company has engaged the services of Maheshwari Datamatics Private Limited, 6 Mangoe Lane, Kolkata 700001, a SEBI registered Registrar, as their Share Transfer Agents for processing the transfers, sub-division, consolidation, splitting of securities, etc. Since trading in Company's shares can now be done only in the dematerialized form, request for Demat and Remat should be sent directly to Maheshwari Datamatics Private Limited, 6 Mangoe Lane, Kolkata 700001. Shareholders have the option to open their Accounts with either NSDL or CDSL as the Company has entered into Agreements with both these Depositories.

#### i. Share Transfer System:

As already stated, the Company's shares are traded in the Stock Exchanges compulsorily in Demat mode. Therefore, Investors/Shareholders are requested to kindly note that physical documents, viz. Demat Request (DRF) and Share Certificates, etc. should be sent by their Depository Participants (DP's) directly to the Share Transfer Agents. Any delay on the part of the DP's to send the DRF and the Share Certificates beyond 15 days from the date of generation of the DRF by the DP will be rejected/cancelled. This is being done to ensure that no Demat requests remain pending with the Share Transfer Agents beyond a period of 30 days. Investors/Shareholders should, therefore, ensure that their DP's do not delay in sending the DRF and Share Certificates to Share Transfer Agents after generating the DRF.

## **Auditors' Certificate regarding compliance of conditions of Corporate Governance**

To the Members of McNally Bharat Engineering Company Limited

We have examined the compliance of conditions of Corporate Governance by McNally Bharat Engineering Company Limited, for the year ended 31st March, 2012, as stipulated in Clause 49 of the Listing Agreements of the said Company with stock exchanges in India.

The compliance of conditions of Corporate Governance is the responsibility of the Company's management. Our examination was carried out in accordance with the Guidance Note on Certification of Corporate Governance (as stipulated in Clause 49 of the Listing Agreement), issued by the Institute of Chartered Accountants of India and was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreements.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

## Auditors' Report

### To the Members of McNally Bharat Engineering Company Limited

1. We have audited the attached Balance Sheet of McNally Bharat Engineering Company Limited (the "Company") as at 31st March 2012, and the related Statement of Profit and Loss and Cash Flow Statement for the year ended on that date annexed thereto, which we have signed under reference to this report. These financial statements are the responsibility of the Company's Management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by Management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. As required by the Companies (Auditor's Report) Order, 2003, as amended by the Companies (Auditor's Report) (Amendment) Order, 2004 (together the "Order"), issued by the Central Government of India in terms of sub-section (4A) of Section 227 of 'The Companies Act, 1956' of India (the 'Act') and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
4. Further to our comments in the Annexure referred to in paragraph 3 above, we report that:
  - (a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
  - (c) The Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this report are in agreement with the books of account;
  - (d) In our opinion, the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this report comply with the accounting standards referred to in sub-section (3C) of Section 211 of the Act;
  - (e) On the basis of written representations received from the directors, as on 31st March 2012 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2012 from being appointed as a director in terms of clause (g) of sub-section (1) of Section 274 of the Act;
  - (f) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements together with the notes thereon and attached thereto give, in the prescribed manner, the information required by the Act, and give a true and fair view in conformity with the accounting principles generally accepted in India:
    - (i) in the case of the Balance Sheet, of the state of affairs of the company as at 31st March 2012;
    - (ii) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
    - (iii) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

## Annexure to Auditors' Report

Referred to in paragraph 3 of the Auditors' Report of even date to the members of McNally Bharat Engineering Company Limited on the financial statements as of and for the year ended 31st March 2012

1. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
  - (b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies between the book records and the physical inventory have been noticed.
  - (c) In our opinion, and according to the information and explanations given to us, a substantial part of fixed assets has not been disposed of by the Company during the year.
2. (a) The inventory has been physically verified by the Management during the year. In our opinion, the frequency of verification is reasonable.
  - (b) In our opinion, the procedures of physical verification of inventory followed by the Management are reasonable and adequate in relation to the size of the Company and the nature of its business.
  - (c) On the basis of our examination of the inventory records, in our opinion, the Company is maintaining proper records of inventory. The discrepancies noticed on physical verification of inventory as compared to book records were not material.
3. (a) The Company has granted unsecured loans, to two companies covered in the register maintained under Section 301 of the Act. The maximum amount involved during the year and the year-end balance of such loans aggregate to Rs. 14,81,40,945. The company has not granted any loans to firms or other parties covered in the register maintained under Section 301 of the Act.
  - (b) In our opinion, the terms and conditions of such loans are not prima facie prejudicial to the interest of the Company. The loans are interest free.
  - (c) In respect of the aforesaid loans, the parties are repaying the principal amounts, as per terms.
  - (d) In respect of the aforesaid loans, there is no overdue amount more than Rupees One Lakh.
  - (e) The Company has not taken any loans, secured or unsecured, from companies, firms or other parties covered in the register maintained under Section 301 of the Act. Accordingly the paragraphs (f) and (g) of the Order are not applicable.
4. In our opinion, and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business for the purchase of inventory and fixed assets and for the sale of goods and services. Further, on the basis of our examination of the books and records of the Company, and according to the information and explanations given to us, we have neither come across, nor have been informed of, any continuing failure to correct major weaknesses in the aforesaid internal control system.
5. According to the information and explanations given to us, there have been no contracts or arrangements referred to in Section 301 of the Act during the year to be entered in the register required to be maintained under that Section. Accordingly, the question of commenting on transactions made in pursuance of such contracts or arrangements does not arise.
6. The Company has not accepted any deposits from the public within the meaning of Sections 58A and 58AA of the Act and the rules framed there under.
7. In our opinion, the Company has an internal audit system commensurate with its size and the nature of its business.
8. We have broadly reviewed the books of account maintained by the Company in respect of products where, pursuant to the rules made by the Central Government of India, the maintenance of cost records has been prescribed under clause (d) of sub-section (1) of Section 209 of the Act, and are of the opinion that, prima

facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

9. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, except for dues in respect of service tax, income tax, employees' state insurance, professional tax and sales tax, the Company is regular in depositing undisputed statutory dues, including provident fund, investor education and protection fund, wealth tax, customs duty, excise duty and other material statutory dues, as applicable, with the appropriate authorities.  
(b) According to the information and explanations given to us and the records of the Company examined by us, the particulars of dues of income tax, sales tax, value added tax, wealth tax, service tax, customs duty and excise duty as at 31st March 2012 which have not been deposited on account of a dispute, are mentioned in attached Appendix A.
10. The Company has no accumulated losses.
11. According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of dues to any financial institution or bank as at the balance sheet date. There is no debenture.
12. The Company has not granted any loans and advances on the basis of security by way of pledge of shares, debentures and other securities.
13. The provisions of any special statute applicable to chit fund/ nidhi/ mutual benefit fund/ societies are not applicable to the Company.
14. In our opinion, the Company is not a dealer or trader in shares, securities, debentures and other investments.
15. In our opinion, and according to the information and explanations given to us, the terms and conditions of the guarantees given by the Company for loans taken by others from banks or financial institutions during the year, are not prejudicial to the interest of the Company.
16. In our opinion, and according to the information and explanations given to us, the term loans have been applied, on an overall basis, for the purposes for which they were obtained.
17. On the basis of an overall examination of the balance sheet of the Company, in our opinion, and according to the information and explanations given to us, there are no funds raised on a short-term basis which have been used for long-term investment.
18. The Company has not made any preferential allotment of shares to parties and companies covered in the register maintained under Section 301 of the Act during the year.
19. The Company has not issued any debentures during the year; and does not have any debentures outstanding as at the year end.
20. The Company has not raised any money by public issues during the year.
21. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud on or by the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

## Notes to the Financial Statements for the year ended 31.03.2012

### 1 General Information

McNally Bharat Engineering Company Ltd (MBE) is a leading Engineering Turnkey Project Execution Company in India. The Company's shares are listed on National Stock Exchange and Bombay Stock Exchange.

### 2 Summary of significant accounting policies

#### 2.1 Basis of preparation

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. These financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rules, 2006, as amended] and the other relevant provisions of the Companies Act, 1956.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule VI to the Companies Act, 1956. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 24 months for the purpose of current – non current classification of assets and liabilities.

#### 2.2 Tangible Assets, Intangible Assets and Depreciation

- (a) Tangible Assets are stated at cost net of accumulated depreciation and accumulated impairment losses, if any. Cost includes inward freight, duties and taxes and expenses incidental to acquisition and installation of fixed assets. Own manufactured assets are capitalized at cost including an appropriate share of overheads.
- (b) Depreciation on assets is provided on a pro-rata basis on Straight Line Method at rates specified in Schedule XIV to the Companies Act, 1956 except for certain items of plant and machinery which are depreciated at rates between 7.07% and 25% as determined on the basis of their useful lives. These rates are higher than the rates prescribed under Schedule XIV of the Companies Act, 1956.
- (c) Profit and Loss on disposal of Fixed Assets is recognized in Statement of Profit and Loss.
- (d) Intangible Assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized on a straight line basis over their estimated useful lives. The amortization period and amortization method are reviewed at least at each financial year end. Computer software is amortised over a period of three years.

#### 2.3 Borrowing Costs

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognised in Statement of Profit and Loss in the period in which they are incurred.

#### 2.4 Impairments

Cash generating units/assets are assessed for possible impairment at Balance Sheet date based on external and internal sources of information. Impairment losses, if any are recognised as an expense in Statement of Profit and Loss.

#### 2.5 Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments. Current investments

## Notes to the Financial Statements for the year ended 31.03.2012

are carried at lower of cost and fair value determined on an individual investment basis. Long term investments are carried at cost. However provision for diminution in value is made to recognize a decline other than temporary in the value of investments.

### 2.6 Inventories

Inventories are stated at cost or net realizable value, whichever is lower. Cost is determined on Weighted Average Basis. Cost comprises of expenditure incurred in the normal course of business in bringing such inventories to their location and condition. Obsolete, slow moving and defective stocks are identified at the time of physical verification of stocks and where necessary, provision is made for such stocks.

### 2.7 Foreign currency translation

Transactions in foreign currency are recorded in Rupees by applying the rate of exchange ruling at the time of transactions. Exchange differences arising on the settlement of transactions are recognized as income or as expense in the period in which they arise. Monetary current assets and monetary current liabilities denominated in foreign currency are translated at the exchange rate prevalent at the date of the balance sheet. The resulting difference is also recorded in the Statement of Profit and Loss. Non monetary items at the balance sheet date are stated at historical cost. The Company uses foreign exchange forward contracts to hedge its exposure to movements in foreign exchange rates. The premium or discount arising at the inception of a forward exchange contract is amortised as expense or income over the life of the contract. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognized as income or as expense for the period.

### 2.8 Derivative Contracts

In respect of derivative contracts (other than forward exchange contracts covered under Accounting Standard 11 on 'The Effects Of Changes In Foreign Exchange Rates') gains and losses on settlement and mark to market loss (net) relating to outstanding contracts as on the Balance Sheet Date is recognized in the Statement of Profit and Loss.

### 2.9 Revenue Recognition

Revenue on contracts is recognized on percentage of completion method wherein the stage of completion is determined with reference to the ratio of the contract cost incurred for work performed upto the reporting date to the estimated total contract cost. In the case of unit rate contracts the stage of completion is determined with reference to the valuation of the actual amount of work completed as per the contracted rates. In cases where the current estimate of total contract cost and revenue indicate a loss, such loss is recognized as an expense.

### 2.10 Other Income

Interest : Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend : Dividend income is recognised when the right to receive dividend is established.

Income from duty drawback is recognised in the Statement of Profit and Loss on an accrual basis.

### 2.11 Employee Benefits

Short-term Employee Benefits are recognised in the period in which employee services are rendered. Contributions towards superannuation fund at rates specified in related approved scheme covering eligible employees are recognised as expense and funded. Provident Fund: Provident Fund contributions are made to a Trust administered by the Company. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of the year and any shortfall in the fund size maintained by the Trust set up by the Company is additionally provided for. Actuarial losses/ gains

## Notes to the Financial Statements for the year ended 31.03.2012

are recognised in the Statement of profit and loss in the year in which they arise. **Gratuity:** The Company provides gratuity, a defined benefit plan (the 'Gratuity Plan') covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on respective employee's salary and the tenure of employment. The Company's liability is provided and funded on the basis of year end Actuarial valuation (using the Projected Unit Credit method). Actuarial losses/gains are recognised in the Statement of Profit and Loss in the year in which they arise. **Superannuation Fund:** The Company operates a superannuation fund scheme for some of its employees towards which the Company contributes upto a maximum of 15% of the employees' current salary, which is charged to the Statement of Profit and Loss. The scheme, which is fully funded, is managed by Trustees and is independent of the Company's finance. **Compensated Absences:** The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlements as at the year end. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial loss/gains are recognised in the Statement of Profit and Loss in the year in which they arise. **Post Retirement medical benefit - Accrued liability towards post employment medical benefits** extended to certain categories of employees (Comprising of annual medical insurance premium to cover hospitalization) within a defined monetary limit are evaluated on the basis of actuarial valuation based on Projected Unit Credit (PUC) Method at the end of the year and is recognised as a charge in the accounts. **Other Long Term Employee Benefits - Other long term employee benefits** comprising of entitlement to accumulation of Sick Leave and Long Service Award is provided based on Actuarial valuation as per PUC method carried out as at the end of the year. **Employees' State Insurance Scheme - Contribution to Central Government administered Employees' State Insurance Scheme** for eligible employees is recognised as charge in Statement of Profit and Loss in the year in which they arise.

### 2.12 Current and Deferred Tax

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961. Deferred taxes reflect the impact of timing differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are not recognized unless there is reasonable certainty and virtual certainty in case of unabsorbed loss and depreciation that sufficient future taxable income will be available against which such deferred tax assets can be realized.

### 2.13 Provisions and Contingent Liabilities

**Provisions:** Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value. **Contingent Liabilities:** Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is termed as a contingent liability.

### 2.14 Leases

As a Lessee :

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating lease. Lease payments under operating leases are charged on a straightline basis in the Statement of Profit and Loss over the lease term.

## Notes to the Financial Statements for the year ended 31.03.2012

### 2.15 Cash and Cash Equivalents

In the cash flow statement, cash and cash equivalents includes cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

### 2.16 Earning per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

### 2.17 Government Grants

Grants of Capital nature and related to specific Fixed Assets are deducted from gross value of assets. Other grants of Capital nature are credited to Capital Reserve. Grant related to revenue are recognised in the Statement of Profit and Loss on a systematic basis to match them with related costs.

### 2.18 Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgements, estimates and assumptions that effect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in the future periods. Any revision to accounting estimates is recognised prospectively in the current and future periods.

## Notes to the Financial Statements for the year ended 31.03.2012

- 29 As per the Scheme of Arrangement as sanctioned by the Hon'ble High Court at Calcutta vide its Order dated 28th July 2009 which was filed with the Registrar of Companies, West Bengal, Kolkata on 1st September 2009, for reconstruction of McNally Bharat Engineering Company Limited (MBECL) and its subsidiary viz McNally Sayaji Engineering Ltd (MSEL) the Products Division of MBECL engaged in the business of manufacture and/or procuring equipments for various engineering and infrastructure projects and having its units at Kumardhubi, in the State of Jharkhand and Asansol, in the State of West Bengal and Bangalore, in the State of Karnataka has been transferred to MSEL with effect from the appointed date, i.e. 01.04.2008. As per the scheme of arrangement the transfer and vesting of Products Division of the MBECL to MSEL shall be subject to the existing charges, mortgages and encumbrances, if any, over the assets or any part thereof, provided however, that such charges, mortgages and/or encumbrances shall be confined only to the assets of MBECL or part thereof on or over which they are subsisting on transfer to and vesting of such assets in MSEL and no such charges, mortgages and/or encumbrances shall extend over or apply to any other asset(s) of MSEL. Thus the existing charges on the assets of the Products Division for facilities enjoyed by MBECL will continue and vice versa. Accordingly working capital demand loans, cash credit facilities, term loans and other non fund based facilities of the Company are secured by assets which include those of the Product Division of MSEL.
- 30 There are no dues payable to Micro enterprises and Small enterprises on the basis of information available with the company regarding Micro and Small Enterprises under Micro, Small and Medium Enterprises Development Act, 2006.
- 31 The company had entered in September 2003 a joint venture agreement with Elsamex S.A. where officially it was appointed as a subcontractor in "West Bengal Corridor Development Project – Improvement of Gazole Hilli Section of SH 10 with a link to Balurghat from Patiram, " (the project). However consequent to considerable delay in execution of the project the Public Works Department of Government of West Bengal (PWD) had unilaterally terminated the contract in January 2006. The company and Elsamex S.A. felt that such delay in execution was due to the inability of PWD to hand over the stretch of encumbrance free land for widening of road and non-availability of construction drawings on time by PWD. The company has a legitimate claim of Rs. 1517 lacs towards receivable (included in Note No.19) and Rs.1133 lacs on account of deposit against Performance Guarantee (included in Note No.21). Elsamex S.A. moved to arbitration and had claimed an amount of Rs.7334 lacs including an additional claim on consequential losses as per guidelines of "Federation Internationale Des Ingenieurs-Conseils" (FIDIC). Arbitral Board in their meeting held on 25th October 2010 has upheld Elsamex S.A.'s claim and has given award in favour of Elsamex S A. Under the award, a total amount of Rs.3535 lacs is receivable by the company. A claim has already been lodged with PWD. PWD has preferred to challenge the verdict of the Arbitrators and has appealed to the High Court for a stay in the matter of payment of award money.

- E** The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market. (a) The expected return on plan assets is based on actuarial expectation of the average long term rate of return expected on investment of funds during the estimated term of the obligation.
- F** The fair value of plan asset have been segregated between the company and the erstwhile product division of MBECL now a part of McNally Sayaji Engineering Limited on the basis of the present value of the obligations as at the end of the year.
- G** **Provident Fund**  
 Provident fund for certain eligible employees is managed by the Company through the "McNally Bharat Employees Provident Fund" in line with the Employees Provident Fund and Miscellaneous Provisions Act, 1952. The plan guarantees interest at the rate notified by the Provident Fund Authorities. The contribution by the employer and employee together with the interest accumulated thereon are payable to employees at the time of their separation from the company or retirement, whichever is earlier. The benefits vest immediately on rendering of the services by the employee. The Guidance on Implementing AS 15, Employee Benefits (Revised 2005) issued by Accounting Standard Board (ASB) states that benefits involving employers established provident funds, which require interest shortfalls to be compensated are to be considered as defined benefit plans. The Actuarial Society of India has issued the final guidance for measurement of provident fund liabilities. The actuary has accordingly provided a valuation and there is no additional liability as at 31st March, 2012, in respect of interest rate guarantee .  
 Current year is the first year of actuarial valuation being done for the provident fund schemes administered through the Trusts , in view of the issuance of the Guidance Note by the Institute of Actuaries of India, hence previous years figures are not disclosed.

## **Auditor's Report on the Consolidated Financial Statements of McNally Bharat Engineering Company Limited**

**To**

**The Board of Directors of McNally Bharat Engineering Company Limited**

1. We have audited the attached consolidated Balance Sheet of McNally Bharat Engineering Company Limited (the "Company") and its subsidiaries; hereinafter referred to as the "Group" (refer Note 1 to the attached consolidated financial statements) as at 31st March, 2012, the related consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year ended on that date annexed thereto, which we have signed under reference to this report. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. We did not audit the financial statements of eleven subsidiaries included in the consolidated financial statements, which constitute total assets of Rs 19397.84 lacs and net assets of Rs 528.70 lacs as at 31st March, 2012, total revenue of Rs.22574.43 lacs, net loss of Rs. 451.35 lacs and net cash flows amounting to Rs. 2558.94 lacs for the year then ended. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion on the consolidated financial statements to the extent they have been derived from such financial statements is based solely on the report of such other auditors.
4. We report that the consolidated financial statements have been prepared by the Company's Management in accordance with the requirements of Accounting Standard (AS) 21 - Consolidated Financial Statements notified under sub-section 3C of Section 211 of the Companies Act, 1956.
5. Based on our audit and on consideration of reports of other auditors on separate financial statements and on the other financial information of the components of the Group as referred to above, and to the best of our information and according to the explanations given to us, in our opinion, the attached consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:
  - (a) in the case of the consolidated Balance Sheet, of the state of affairs of the Group as at 31st March, 2012;
  - (b) in the case of the consolidated Statement of Profit and Loss, of the profit of the Group for the year ended on that date; and
  - (c) in the case of the consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.

## Notes to the Consolidated Financial Statements for the year ended 31.03.2012

### 2 Summary of significant accounting policies

#### 2.1 Basis of Consolidation

The Consolidated Financial Statements have been prepared in accordance with Accounting Standard 21 – “Consolidated Financial Statements”

The Consolidated financial statements are prepared on the following basis:

- (i) Subsidiaries are consolidated from the date on which control is transferred to the group and are not consolidated from the date that control ceases.
- (ii) The financial statements of the Holding Company and the Subsidiary companies have been combined on a line by line basis by adding together like item of assets, liabilities, income and expenses. The intra group balances, intra group transactions and unrealized profit or losses thereon if any have been fully eliminated where such transactions took place subsequent to the date of acquisitions of the related subsidiary.
- (iii) The financial statements of the subsidiaries used in consolidation are drawn up to the same reporting date as that of the Holding Company in all cases except in the case of one subsidiary where the gap is not more than three months.
- (iv) The excess / shortfall of the consideration given over the net value of the identifiable assets acquired in subsidiary company is recognized as goodwill/ capital reserve. Goodwill is disclosed under Fixed asset. Impairment loss is recognized where applicable.
- (v) The translation of the functional currencies into Indian Rupees (reporting currency) is performed for equity in the foreign subsidiaries, assets and liabilities using the closing exchange rate at the Balance Sheet date, and for revenues, costs and expenses using average exchange rates prevailing during the period . The resultant exchange difference arising out of such transaction is recognized as part of equity (Foreign Currency Translation Reserve Account) by the Parent Company until the disposal of investment.
- (vi) These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. These financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rules, 2006, as amended] and the other relevant provisions of the Companies Act, 1956.

All assets and liabilities have been classified as current or non-current as per each entity’s normal operating cycle and other criteria set out in the Schedule VI to the Companies Act, 1956. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the entities have ascertained their operating cycle for the purpose of current – non-current classification of assets and liabilities as follows:

- the Company : 24 months and
- subsidiaries : 12 months.

#### 2.2 Tangible Assets, Intangible Assets and Depreciation

- (a) Tangible Assets are stated at cost net of accumulated depreciation and accumulated impairment losses, if any. Cost includes inward freight, duties and taxes and expenses incidental to acquisition and installation of fixed assets. Own manufactured assets are capitalized at cost including an appropriate share of overheads.
- (b) Depreciation on assets is provided on a pro-rata basis on Straight Line Method at rates specified in Schedule XIV to the Companies Act, 1956 or based on the remaining residual life, whichever is higher. Rates higher than Schedule XIV rates have been used in the following cases.

## Notes to the Consolidated Financial Statements for the year ended 31.03.2012

Category of Fixed Assets	Rates of depreciation
Certain items of Factory Building	5%-10%, 20%
Certain items of Non-factory Building	4.17% - 10%
Certain items of Furniture & Fixtures	15%
Certain items of Motor Cars	20%
Certain items of Office Equipment	20%
Certain items of Plant & Machinery	10%
Freehold Land and Leasehold Land (perpetual lease) are not depreciated. Other Leasehold land are amortised over the period of lease.	
(c) Profit and Loss on disposal of Fixed Assets is recognized in Statement of Profit and Loss.	
(d) Intangible Assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized on a straight line basis over their estimated useful lives. The amortization period and amortization method are reviewed at least at each financial year end. Computer software is amortised over a period of two to five years. Technical know-how for vibrating screen and granulators which are amortized over a period of five years and designs and drawing are amortized over a period of seven years under straight line method.	
(e) Goodwill on consolidation is carried at cost .Goodwill is tested for impairment annually and impairment loss is recognized wherever applicable.	

### 2.3 Borrowing Costs

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognised in Statement of Profit and Loss in the period in which they are incurred.

### 2.4 Impairments

Cash generating units/assets are assessed for possible impairment at Balance Sheet date based on external and internal sources of information. Impairment losses, if any are recognised as an expense in Statement of Profit and Loss.

### 2.5 Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long term investments are carried at cost. However provision for diminution in value is made to recognize a decline other than temporary in the value of investments.

### 2.6 Inventories

Inventories are stated at cost or net realizable value, whichever is lower. Cost is determined on Weighted Average Basis. Cost comprises of expenditure incurred in the normal course of business in bringing such inventories to their location and condition (including appropriate overheads in case of Work-in-Progress, calculated on a basis appropriate to the business carried on by the Company). Where the current estimate of total cost and revenue in respect of Work-in-Progress covered by customers' orders indicate a loss, provision is made for entire loss. Obsolete, slow moving and defective stocks are identified at the time of physical verification of stocks and where necessary, provision is made for such stocks. Certain loose tools are written off over a period of ten years.

### 2.7 Foreign currency translation

Transactions in foreign currency are recorded in Rupees by applying the rate of exchange ruling at the time of transactions. Exchange differences arising on the settlement of transactions are recognized as income or as expense in the period in which they arise. Monetary current assets and monetary current liabilities denominated in foreign currency are translated at the exchange rate prevalent at the date of

## Notes to the Consolidated Financial Statements for the year ended 31.03.2012

the balance sheet. The resulting difference is also recorded in the Statement of Profit and Loss. Non monetary items at the balance sheet date are stated at historical cost. The Company uses foreign exchange forward contracts to hedge its exposure to movements in foreign exchange rates. The premium or discount arising at the inception of a forward exchange contract is amortised as expense or income over the life of the contract. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognized as income or as expense for the period.

### 2.8 Derivative Contracts

In respect of derivative contracts (other than forward exchange contracts covered under Accounting Standard 11 on 'The Effects Of Changes In Foreign Exchange Rates' ) gains and losses on settlement and mark to market loss (net) relating to outstanding contracts as on the Balance Sheet Date is recognized in the Statement of Profit and Loss.

### 2.9 Revenue Recognition

Revenue on contracts is recognized on percentage of completion method wherein the stage of completion is determined with reference to the ratio of the contract cost incurred for work performed upto the reporting date to the estimated total contract cost. In the case of unit rate contracts the stage of completion is determined with reference to the valuation of the actual amount of work completed as per the contracted rates. In cases where the current estimate of total contract cost and revenue indicate a loss, such loss is recognized as an expense.

Sale of product and services represent the invoiced value of goods and services supplied and exclude value added tax, service tax and sales tax. Agency commission is recognized in terms of agency agreement.

Erection and commissioning income is recognized as revenue as and when it becomes due as per terms of contracts.

Repairs and service income is recognized as revenue after the service is rendered to the customers.

### 2.10 Other Income

Interest: Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend: Dividend income is recognised when the right to receive dividend is established.

Income from duty drawback is recognised in the Statement of Profit and Loss on an accrual basis.

Claims receivable are accounted at the time of lodgment depending on the certainty of receipt and claims payable are accounted at the time of acceptance.

### 2.11 Employee Benefits

Short-term Employee Benefits are recognised in the period in which employee services are rendered. Contributions towards superannuation fund at rates specified in related approved scheme covering eligible employees are recognised as expense and funded.

**Provident Fund:** Provident Fund contributions are made to a Trusts administered by the Company / Funds managed by the Regional Provident Fund Commissioner. The Group's liability towards self administered Trusts is actuarially determined (using the Projected Unit Credit method) at the end of the year and any shortfall in the fund size maintained by the Trusts set up by the Group is additionally provided for. Actuarial losses/ gains are recognised in the Statement of Profit and Loss in the year in which they arise.

**Gratuity:** The Group provides gratuity, a defined benefit plan (the 'Gratuity Plan') covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on respective employee's salary and the tenure of employment. The Group's liability is provided and funded on the basis of year end Actuarial valuation (using the Projected Unit Credit method). Actuarial losses/gains are recognised in the Statement of Profit and Loss in the year in which they arise.

## Notes to the Consolidated Financial Statements for the year ended 31.03.2012

**Superannuation Fund:** The Group operates a superannuation fund scheme for some of its employees towards which the Group contributes upto a maximum of 15% of the employees' current salary, which is charged to the Statement of Profit and Loss. The scheme, which is fully funded, is managed by Trustees and is independent of the Group's finance.

**Compensated Absences:** The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlements as at the year end. The Group's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial loss/gains are recognised in the Statement of Profit and Loss in the year in which they arise.

**Post Retirement medical benefit -** Accrued liability towards post employment medical benefits extended to certain categories of employees (Comprising of annual medical insurance premium to cover hospitalization) within a defined monetary limit are evaluated on the basis of actuarial valuation based on Projected Unit Credit (PCU) Method at the end of the year and is recognised as a charge in the accounts.

**Other Long Term Employee Benefits -** Other long term employee benefits comprising of entitlement to accumulation of Sick Leave and Long Service Award is provided based on Actuarial valuation as per PCU method carried out as at the end of the year.

**Employees' State Insurance Scheme -** Contribution to Central Government administered Employees' State Insurance Scheme for eligible employees is recognised as charge in Statement of Profit and Loss in the year in which they arise.

### 2.12 Current and Deferred Tax

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with prevailing taxation laws. Deferred taxes reflect the impact of timing differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are not recognized unless there is reasonable certainty and virtual certainty in case of unabsorbed loss and depreciation that sufficient future taxable income will be available against which such deferred tax assets can be realized.

### 2.13 Provisions and Contingent Liabilities

**Provisions:** Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

**Contingent Liabilities:** Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is termed as a contingent liability.

### 2.14 Leases

As a Lessee :

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating lease. Lease payments under operating leases are charged on a straightline basis in the Statement of Profit and Loss over the lease term.

### 2.15 Cash and Cash Equivalents

In the cash flow statement, cash and cash equivalents includes cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

## Notes to the Consolidated Financial Statements for the year ended 31.03.2012

### 2.16 Earning per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

### 2.17 Government Grants

Grants of Capital nature and related to specific Fixed Assets are deducted from gross value of assets. Other grants of Capital nature are credited to Capital Reserve. Grant related to revenue are recognised in the Statement of Profit and Loss on a systematic basis to match them with related costs.

### 2.18 Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgements, estimates and assumptions that effect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in the future periods. Any revision to accounting estimates is recognised prospectively in the current and future periods.

(All figures in Rs. Lacs, unless otherwise stated)

- 31 The Company has allotted 1,75,000 Convertible Warrants of Rs 186/- each on 12.03.2010 (convertible within eighteen months from the date of allotment in one or more tranches) and 3,35,000 Convertible Warrants of Rs 186/- each on 13.08.2010 (convertible within twelve months from the date of allotment in one or more tranches), on a preferential basis to Promoters/ Promoter group and strategic investors, entitling the holder of the Warrants to apply for and be allotted one equity share of Rs. 10/- each fully paid-up, at a price of Rs. 186/- per share [including a premium of Rs. 176/-], or at such other higher prices in accordance with the applicable statutory Regulations, against each such warrant. The Company had called up and received 25% of the face value against allotment of each such warrant in previous financial years and the balance amount is due to be received by the Company during the current financial year. None of the warrant holders has exercised the option; hence the entire amount of Rs 230.14 lakhs, representing 25% of the face value, has been forfeited by the Company and transferred to capital reserve of the Company.
- 32 The company had entered in September 2003 a joint venture agreement with Elsamex S.A. where officially it was appointed as a subcontractor in "West Bengal Corridor Development Project – Improvement of Gazole Hilli Section of SH 10 with a link to Balurghat from Patiram," (the project). However consequent to considerable delay in execution of the project the Public Works Department of Government of West Bengal (PWD) had unilaterally terminated the contract in January 2006. The company and Elsamex S.A. felt that such delay in execution was due to the inability of PWD to hand over the stretch of encumbrance free land for widening of road and non-availability of construction drawings on time by PWD. The company has a legitimate claim of Rs.1517 Lacs towards receivable (included in Note No.19) and Rs.1133 Lacs on account of deposit against Performance Guarantee (included in Note No.21). Elsamex S.A. moved to arbitration and had claimed an amount of Rs.7334 Lacs including an additional claim on consequential losses as per guidelines of "Federation Internationale Des Ingenieurs-Conseils" (FIDIC). Arbitral Board in their meeting held on 25th October 2010 has upheld Elsamex S A's claim and has given award in favour of Elsamex S A. Under the award, a total amount of Rs.3535 Lacs is receivable by the company. A claim has already been lodged with PWD . PWD has preferred to challenge the verdict of the Arbitrators and has appealed to the High Court for a stay in the matter of payment of award money.

### F Provident Fund

Provident fund for certain eligible employees is managed by the Company through various funds in line with local laws and regulations. For the Indian entities the plan guarantees interest at the rate notified by the Provident Fund Authorities. The contribution by the employer and employee together with the interest accumulated thereon are payable to employees at the time of their separation from the company or retirement, whichever is earlier. The benefits vest immediately on rendering of the services by the employee. The Guidance on Implementing AS 15, Employee Benefits (Revised 2005) issued by Accounting Standard Board (ASB) states that benefits involving employers established provident funds, which require interest shortfalls to be compensated are to be considered as defined benefit plans. The Actuarial Society of India has issued the final guidance for measurement of provident fund liabilities. The actuary has accordingly provided a valuation and there is no additional liability as at 31st March, 2012, in respect of interest rate guarantee. Current year is the first year of actuarial valuation being done for the provident fund schemes administered through the Trusts, in view of the issuance of the Guidance Note by the Institute of Actuaries of India, hence previous years figures are not disclosed.
